

Cover-It® Mini Self-Stick Notebook Covers

1. Trace and cut outside and inside cover papers using the templates provided.
2. Apply glue to the spine and cover boards, place on outside cover paper as shown.
3. Apply glue to long sides of the cover paper, fold over and secure.
4. Apply glue to short ends of the cover paper, fold over and secure.
5. Apply glue to inside cover paper. Slowly lay the paper down, press firmly into the gutters and secure. Maintain a 1/16th inch border from all edges.
6. Attach the sticky note pad as shown.
