

**FIRST:** Glue the center to the front, this becomes the photo slot.

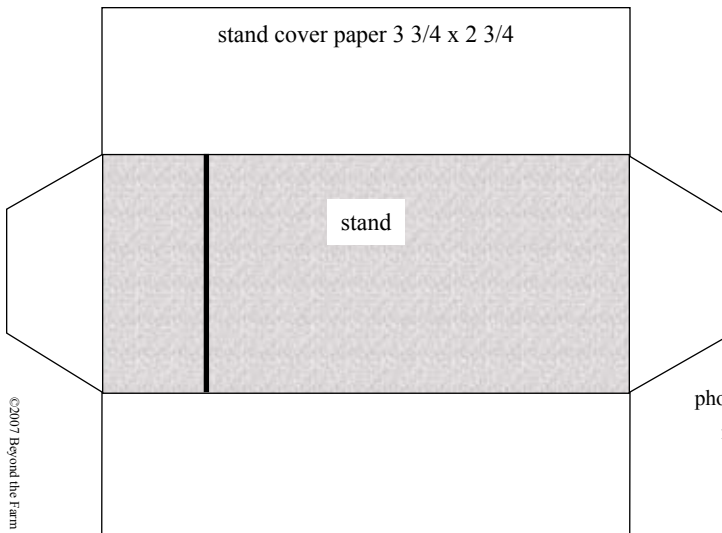

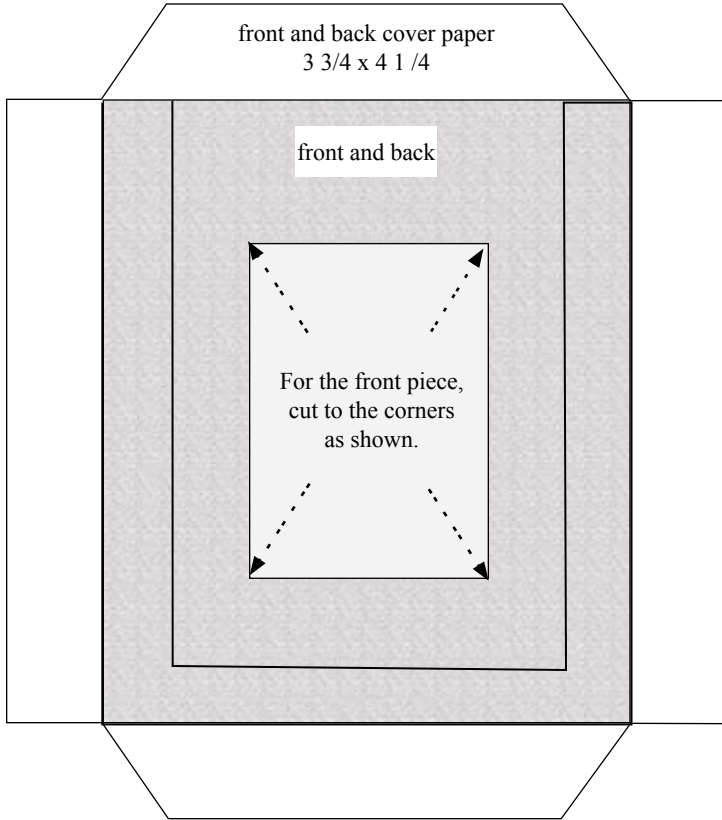

Choose method A or B below to complete frame kit

**A** To cover the components directly with markers, crayons, paints, etc.

1. Follow ASSEMBLY steps.
2. Decorate to finish.

**B** To cover the components entirely with materials (e. g., paper, fabric): Follow the directions using the templates provided.

#### FRONT & BACK

1. Trace and cut two pieces of cover material using the template provided.
2. Apply glue to the front and place face down on the template as shown.
3. Cut the center, apply glue and fold over.
4. Apply glue to the long flaps first, fold over and secure.
5. Apply glue and secure short end flaps second.
6. Apply glue to the frame back and place as shown.
7. Repeat steps 4 & 5.

#### STAND

1. Trace and cut one piece of cover material for the stand using the template provided.
2. Apply glue to the stand and place on cover material as shown.
3. Apply glue to side flaps, fold over and secure.
4. Apply glue to the short ends, fold over and bend hinge then secure.

#### ASSEMBLY

1. Glue the front to the back.
2. Apply glue above the score line of the stand and center along the bottom edge.
3. Remove the adhesive backing from a one inch piece of magnet and apply.
